solicit your dignified presence on the occasion of

9th GRADUATION DAY

13.12.2025 (Saturday)

Chief Guest

Dr.T.T. AJITH KUMAR,

Principal Scientist & Head,
Centre for Peninsular Aquatic Genetic Resources,
Regional centre of the ICAR- NBFGR,
Ministry of Agriculture and Farmer's Welfare, Govt. of India, Kochi, Kerala.

Dr. T. T. Ajith Kumar has made notable contributions to marine ornamental aquaculture, aquatic genetic resource conservation, and sustainable fisheries development in India. He has developed several application-oriented hatchery technologies for marine ornamental species, supporting livelihood enhancement among coastal and island communities. His extensive field-based research across peninsular India has strengthened national efforts in biodiversity documentation and conservation aquaculture.

He has held key scientific and administrative roles, including Principal Scientist, Head of Centre, and Acting Director at ICAR–NBFGR. He has served on expert committees of the National Biodiversity Authority and academic bodies of multiple universities. His leadership in projects funded by DST, DBT, NBA, NFDB, and MoES has contributed to national capacity building. He continues to guide research, training, and policy-oriented initiatives that advance marine biodiversity conservation and aquaculture innovation in the country.
