About the College

Vivekanandha Arts and Science College for Women is situated at Veerachipalayam, Sankari west post, Sankagiri Taluk, Salem District of Tamil Nadu adjoining Coimbatore – Salem National Highway. The Campus is 8kms away from Sankagiri, 25 kms from Erode, 50kms from Salem and 110 kms from Coimbatore. On entering the campus, one would be gripped by the gorgeousness of the college. The natural atmosphere maintained in the campus is pleasant, healthy and stimulating in every sense. Spreading over 2,00,000 sq.ft. of building space, the classrooms, library, laboratories, separate seminar hall for Arts and Science Department, smart auditorium and learning centers of Vivekanandha Arts and Science College for Women have been designed with meticulous attention, making it truly a world class. The Vibrant interiors and exquisite finishing lends the college an ambience that is as delightful and inspiring.

About the Department

The Department of Chemistry, established in 2014, is committed to academic excellence and professional development in the field of chemical sciences. It offers undergraduate and postgraduate programs supported by modern infrastructure, well-equipped laboratories, and advanced research facilities. With guidance from qualified faculty, students gain knowledge in fundamental and applied chemistry through evidence-based learning and holistic education. The department provides practical exposure through industrial visits, workshops, research projects, and community outreach programs. These initiatives help students bridge theory with practice, enhancing their competence in analytical chemistry, organic and inorganic chemistry, physical chemistry, and emerging interdisciplinary fields. By addressing global scientific challenges and fostering innovation, the department nurtures skilled professionals dedicated to advancing chemical research and contributing to industrial and societal development.

CHAIRMAN'S MESSAGE

The Department of Chemistry at VIAAS is dedicated to promoting scientific knowledge and research awareness. It emphasizes practical laboratory skills along with strong academic foundations. The department equips students to meet the demands of the chemical, pharmaceutical, and allied industries. Faculty members work with commitment, and students participate with enthusiasm. I am confident the department will continue to achieve greater success in the future.
