OUR STRENGTH YOUR ADVANTAGES:

DEPT.OF CS&CA

The Department of Computer Science was established in 2014 with the launch of our B.Sc Computer Science program, followed by the introduction of our M.Sc Computer Science program in 2017. The Computer Science department provides a comprehensive learning experience, fueled by high-speed internet facilities that foster a conducive environment for learning and research. We proudly affiliate with esteemed organizations, including the ICT Academy of India, NPTEL, and Computer Society of India. Our students thrive under personalized mentorship, paired with experienced faculty mentors who offer tailored guidance and support. We cultivate a culture of academic excellence, providing opportunities for placement, career advancement, and lifelong learning. With seamless connectivity and access to digital resources, our students can further enrich their learning experience through virtual labs and certificate courses led by distinguished professors.
