About the College...

Vivekanandha Arts and Science College for Women is situated at Veerachipalayam, Sankari west post, Sankagiri Taluk, Salem District of Tamil Nadu adjoining Coimbatore – Salem National Highway. The Campus is 8kms away from Sankagiri, 25 kms from Erode, 50kms from Salem and 110 kms from Coimbatore. On entering the campus, one would be gripped by the gorgeousness of the college. The natural atmosphere maintained in the campus is pleasant, healthy and stimulating in every sense. Spreading over 2,00,000 sq.ft. of building space, the classrooms, library, laboratories, separate seminar hall for Arts and Science Department, smart auditorium and learning centers of Vivekanandha Arts and Science College for Women have been designed with meticulous attention, making it truly a world class. The Vibrant interiors and exquisite finishing lends the college an ambience that is as delightful and inspiring.

About the Department...

The Department of Computer Science was established in 2014 with the launch of our B.Sc Computer Science program, followed by the introduction of our M.Sc Computer Science program in 2017. The Computer Science department provides a comprehensive learning experience, fueled by high-speed internet facilities that foster a conducive environment for learning and research. We proudly affiliate with esteemed organizations, including the ICT Academy of India, NPTEL, and Computer Society of India. Our students thrive under personalized mentorship, paired with experienced faculty mentors who offer tailored guidance and support. We cultivate a culture of academic excellence, providing opportunities for placement, career advancement, and lifelong learning. With seamless connectivity and access to digital resources, our students can further enrich their learning experience through virtual labs and certificate courses led by distinguished professors.

CHAIRMAN'S MESSAGE

It gives me immense pleasure to extend warm greetings to the Department of Computer Science, encompassing the vibrant programs of Computer Science, Computer Applications, Information Technology, and Cyber Security. September has been a month full of energy, learning, and innovation. Technical workshops, coding events, and expert sessions stood out this month. Your active participation reflects the spirit of excellence we strive for. It's inspiring to see growing interest in areas like AI, cybersecurity, and data science. Our focus must remain on practical skills, critical thinking, and collaboration. I encourage you to keep pushing boundaries and embracing new ideas. Together, let's shape a future-ready generation of tech professionals. Wishing you continued success in the months ahead!

PRINCIPAL'S MESSAGE

Warm greetings to all students and faculty of the Computer Science department. September has been a vibrant month filled with workshops, seminars, and practical sessions. Your enthusiasm in exploring emerging fields like AI, cybersecurity, and data analytics is commendable. I appreciate the dedication shown by both students and staff in advancing knowledge. These activities strengthen your skills and prepare you for real-world challenges. Keep engaging actively in learning and collaborative projects. Innovation and critical thinking remain at the core of our academic vision. Let's continue to foster a culture of curiosity and excellence. Together, we will build a strong foundation for future success. Wishing you a productive and inspiring academic year ahead!

IQAC - DIRECTOR'S MESSAGE

It gives me great pleasure to share that VIAAS continues to uphold its commitment to quality, discipline, and excellence within the Computer Science department. Through the initiatives of the Internal Quality Assurance Cell, we strive to enhance academic standards, promote innovative practices, and foster holistic development across Computer Science, Information Technology, Cyber Security, and Computer Applications. With the active support of our dedicated faculty, staff, and students, we aim to create a vibrant learning environment that nurtures technical knowledge, ethical values, and global competencies. Together, let us work towards sustaining quality benchmarks and achieving new milestones in advancing technology education and research.

**Dr. B. T. Suresh Kumar, M.Sc., M.Phil., Ph.D.,
