About the Department...

The Departments have highly qualified and dedicated faculty members who actively participate in research activities. It also focuses on academic and non academic programs, such as seminars, exhibitions, quizzes, expert talks, internships and various cultural events, for student development. Our aim is to equip students with inner talents, morality and discipline, enabling them to become responsible citizens. We have produced University Rank Holders both UG and PG Programs. Graduates are placed in top ranked MNC's and pursuing their Higher educations in Abroad/Reputed Institutions. Department of Mathematics recently hosted a series of engaging events, including a Guest Lecture by a renowned Mathematician, a showcasing Mathematical models and puzzles, an that tested students problem-solving skills and a club activity that fostered a sense of community among Math enthusiasts. These events aimed to promote Mathematical awareness, develop problem-solving skills and encourage students to explore the applications of Mathematics.
